To receive for information, reports on issues relevant to the Town from County, District and Independent Councillors: Councillor Kevin Thurlow	<p>Cllr Blackburn has reported to Cllr Thurlow and to Cumberland Council directly, the issue with the removing of rubbish from Brough Street. The residents of Brough Street are currently filling black bin liners which are collected by a council refuse van, however the number of bags is increasing and this is resulting in rats. This monitoring highlights any potential areas of concern allowing for corrective action to be taken.</p> <p>The report presented was the last monitoring report for the 2024/2025 financial year and covers April 2024 to March 2025. Throughout the year, the Council have already discussed the variances which have been highlighted in this report and agreed virements and transfers in accordance with the Council's Financial Regulations. In addition, since the financial implications of decisions taken by the Council are discussed at meetings prior to being approved, Councillors are aware of instances when they have approved the use of balances or additional funding received, which is not ring fenced.</p> <p>The RFO gave an overview of the net position at the end of the year explaining that although the report showed a surplus of £15,335.55, this included receipt of National Lottery Funding Grant of £20,000 to be used specifically on the Ninja trail project, as well as £3,000 funding earmarked for the outdoor gym project. Therefore, the Council has used around £7,600 of bank balances to cover the expenditure incurred throughout the 2024/25 financial year.</p> <p>It was also explained that these figures would form part of the year end return which is subject to both internal and external audit. RESOLVED that the budget monitoring report for the final quarter to March 2025 be accepted and approved, with Councillors agreeing the virements/transfers made within the report.</p> <p>(iv) Asset register as at 31.03.25: - The RFO explained that the net increase of the Council assets during 2024/25 amounted to £2,909.87. This was due to the purchase of the Clerks Apple Macbook and iPhone, 2 Strimmers, Security Cameras, a Pressure Washer and Mower. RESOLVED that the circulated Asset Register be confirmed and accepted as a true record for the end of the 24/25 financial year. It was noted that the value of</p>

10.04.25. Cumberland Council Housing Strategy:	<p>The Clerk had received an email from Cumberland Council, which included a survey wanting to hear from local people on the new housing strategy and how they finalise things. The work they are doing is to increase the supply of housing, making housing accessible and improve the housing needs within the communities. The Clerk circulated the survey for councillors to complete and return to Cumberland Council by Tuesday 29th April 2025.</p> <p>It is felt local people aren't given first refusal of housing available within the town. 13.04.25. Parks & Allotments:	<p>Lease: The lease between the landowner of Lawson Street allotments and the council is with Cllr Thurlow's solicitor, awaiting on a reply.</p> <p>Allotments: Following the Parks & Allotments emergency meeting on Friday 4th April, where it was decided and agreed by all Councillors on the sub-committee to evict an allotment holder for several reasons, the Clerk received an email from the tenant requesting the council reconsider their decision and disputing reports made to RSPCA. The Clerk explained in full, to all councillors the situation and showed evidence gathered. It was again, a unanimous vote to evict the tenants with immediate effect. It was also suggested to contact our PCSO following an altercation on 8th April between the tenant and the Caretaker and also if messages/emails continued which were to harass the Clerk. This has been a distressing time for the council employees and the councillors stipulated they will not tolerate this</p>	

	<p>behaviour; therefore, the Clerk was asked to respond to the tenant advising them the council decision is final and to evacuate the plot with immediate effect.</p> <p>RESOLVED</p> <p>Park: The Clerk had advised a family within St Mungos Park with a dog on a lead that it was a 'no dogs' area due to it being a children's play park and also with the amount of sports being played there. The Clerk was told the dog was an anxiety dog. The Clerk received correspondence from the family wishing to make a complaint. The Clerk contacted CALC for further advice and this was also discussed at the Parks & Allotments meeting on Friday 4th April. The Councillors were all in agreeance it must be strictly no dogs. At tonight's meeting, 8th April, the Clerk informed all councillors of her response from CALC and Cumberland Council which states, following the Public Space Protection Order (PSPO) as trustees of the park, we, the council are within our rights to remove dogs from the play park. It also states we can enforce on the spot fines of £100 or if this goes to court the fee would increase to £1000. Cllr Gregory suggested we revisit our rule and alter it slightly to welcome guide dogs only. It was agreed. The Clerk is to order new signage for the park which will replace the old signs. The new signs will advise 'No dogs except guide dogs'. RESOLVED</p> <p>The Clerk is looking to order the outdoor gym for St Mungos Park as we now have funding, however the Clerk has been advised to look into the maintenance costs of the gym. It was agreed the Clerk would speak to other Clerks to gain information before ordering any equipment.</p> <p>RESOLVED that the zip wire is now complete, with new tyres and chair.</p> <p>Cllr Thurlow requested permission to install a manhole in St Mungos Park near the zip wire. This is to help reduce flooding with the drainage issues. It is also thought a further manhole will have to be installed at the path which has recently been repaired, near the old shelter and the draining rods which are said to be stuck below ground need removing. It was proposed by Cllr Gregory and seconded by Cllr Smith we go ahead with the work. RESOLVED</p>
